

# Young Adult Council

**Aged 16+ and want to have your say about issues that affect Children in Care and Care Leavers?**

Then, come along to the **Young Adult Council!** Here, you can share your opinions about how Kent County Council supports you, suggest improvements and make a positive difference for all young people in care and care experienced young people.

YAC Meetings take place on the first Thursday of every month. Our meetings take place **virtually** on Microsoft Teams every other month and then **face-to-face** on the alternate months.

When we meet face-to-face, we always have food and we will pay your travel costs to get to the meetings too. We try to hold the meetings at different places across the county to make it fair for members with travel.

We do lots of fun activities too... we have:

- Had BBQs
- Been bowling
- Learnt first aid
- Done taste testing
- We have even been gliding!

We also have our **'Recruit Crew'** which is for young people who want to help interview potential social workers, foster carers, PAs and senior Kent County Council staff members. These are happening virtually too so let us know if you want to be involved!
