Children and Young People's Participation Strategy

The **Participation Team** will :

- give you lots of opportunities to **share your views**
- share helpful **resources** and **information**
- let you know how your ideas have **made a difference**

You can participate by:

Speaking to an adult you trust

Joining one of Kent's Young People's Councils

Taking part in a Speak Up Project

Taking part in meetings about you

Coming to Activity Days and Events

'Participation means being included and involved in everything that affect you'
